Dr. K. Shanmuga Sundaram
Professor & Director

RECRUITMENT POLICY FOR UG & PG: 2025-2026

The CUIC Webportal registration process and all the Recruitment & Internship related instructions mentioned below are common for both final year and pre-final year students belonging to CEG, MIT, AC.Tech and SAP campus.

Registration Process:

- Eligible and interested student are expected to register through CUIC web portal created exclusively for placement related services.
- Only those students who are **interested and willing to take part in campus placements** facilitated by CUIC, Anna University are expected to complete the registration process in the CUIC web portal within the stipulated deadline which shall be intimated by CUIC, Anna University.
- The registered candidates shall be allowed **once in a semester** to update their profile as well as their latest CGPA in the CUIC web portal during the timeframe mentioned by CUIC, Anna University.
- It is the responsibility of the respective Department Student Placement Representatives (PRs) to validate the information provided by their peers (during registering/updating process in the CUIC Web portal) under the supervision of their Department Staff Placement coordinator.

Recruitment Process:

- In current global scenario, most of the companies are following a model where the candidates shall be assessed based upon their performance either in Summer Internship alone/ Summer Internship along with 6-months Internship / 6-months Internship alone for providing with the FTE opportunity.
- The eligibility conditions are branch specific and CGPA are defined by the recruiter. The students are strictly advised to go through the entire information provided by the company including the "Job Description" before expressing the willingness to register for the placement proceedings through the CUIC web portal.

- It is also strictly informed that the students registering for recruitment process must compulsorily take part in all the stages of the placement drive. If registered students fails **to attend any of the stages in the placement drive** (whatsoever be the reason), he/she will be **prevented to attend subsequent recruitment process** facilitated by CUIC until the student tenders an written apology letter to the Director, CUIC in person which is duly forwarded by their Department Staff Placement coordinator as well as the HoD.
- If the same candidate is **repeating this act of not taking part in the placement drive after willfully registering**, then he/she shall be **debarred from taking part in any activities facilitated through CUIC, Anna University for the entire semester**. This information regarding debarring a student shall be intimated by the Director, CUIC to the concerned department HoD as well as the Campus Dean via email.
- In case, if it is brought to our notice by the company representative/University official that a candidate is found indulging in any sort of malpractice (or) misbehaving with the panel members during the hiring process, the concerned candidate shall be permanently debarred from taking part in any of the activities facilitated through CUIC, Anna University from there onwards.
- Shortlisting/Selecting any candidate out of the recruitment process is purely decided by the company as per their internal policy and their business requirements. No candidate shall contact the company or it's representatives through any communication channel for any reason.
- As CUIC, Anna University is following **"One Student One Placement"** policy, the students will be allowed to sit for the recruitment process until they get placed in any of the company that they had previously attended based upon the final outcome of the placement drive as officially communicated by the company. But once, if the student gets an offer in a company, he/she will be prevented from attending further placement drives of any other company irrespective of the recruitment process stage.
- Candidates offered **"FTE alone/Internship with FTE"** are **NOT PERMITTED** to register for any other companies offering only Internship role.
- If a company offers **"Internship alone"**, then it is strictly advised that those students who are not interested in taking up Full Time Employment (FTE) offer alone can apply based on the eligibility criteria.
- Candidates **securing 6-months internship offer/ summer internship offer** from any company must immediately obtain the **No Objection Certificate (NOC)** from the concerned authority of their Department/Centre for Academic Courses, Anna University.

Stages in the Recruitment Process:

- a. The process will begin with a Pre-Placement Talk (PPT) given by the recruiter where they will brief about their company and offers before the start of test / interview process. It is **compulsory that all the registered students should attend PPT (as it is insisted by the companies)** and they are advised to earn basic knowledge about their recruiter by going through their website before sitting for PPT session. There could be GD and multiple interviews as well.
- b. Depending on the recruiter's policy there may be screening test / group discussion / interview either at CUIC / CEG / MIT labs or in the virtual mode. **Using of mobile phones or any electronic gadgets are strictly prohibited during the hiring process conducted in physical mode at the campus failing which the candidate shall be debarred for the entire placement session.** The number of rounds may be multiple. The schedule to conduct the above will be done by CUIC (if required even on Saturdays and sometime on holidays in case of online)
- c. The list of students shortlisted for the recruitment process by the recruiter will be communicated through the WhatsApp. The PRs in turn will share the information to their batch mates.
- d. The interviews are conducted at CUIC or in online mode as preferred by the recruiter from 8.30 a.m. onwards. There could be GD and multiple interviews as well.

CUIC Policy on acceptance of offer:

Every eligible student can participate in all the recruitment process for which his / her branch is stipulated by the recruiter. However, once the student gets selected by one of the recruiter (after completing the final round of interview), the student is forbidden from attending further recruitment process. But few exceptions are:

1. If a **non-IT branch student is placed in an IT Services company and CTC offered is less than Rs.4.00 LPA**, he / she will be given another opportunity to sit for core placement processes till he / she secures an offer of his / her choice. This is not applicable to software branches like CSE/IT etc.
2. In the event of two recruiters announcing their results on the same day and a particular student being shortlisted by both the companies, the student will have to **accept the offer which is first received by CUIC** (decided by email timestamp), irrespective of the salary offered.
3. **Second placement opportunity for the placed candidates** (all branches) shall be allowed only for recruitments conducted by **Government sector/ Public sector companies**.

Rules for Summer Internship & PPO (Pre-final year UG Students):

- While expressing the willingness to register for a summer internship drive of any company, the student shall be **allowed to make their choice** on whether will they be **accepting the Pre-placement Offer (PPO) if offered by the company**. If consent is given by the student, then he/she cannot reject the PPO if offered by the company.
- Most of the companies offering summer internship extend it to Pre-Placement Offer (PPO) **based on their performance** during the internship.
- It may be noted that the summer internship will be during summer vacation (June-July) every year based upon the Anna University academic calendar.
- Until the company announces the PPO, he / she will be allowed to sit for subsequent placements. Once PPO is received he/she is not permitted to participate in the placement drive further.

DIRECTOR, CUIC
